

## Band Booster Activities 2010-2011

Band Parents - There is a whirlwind of Booster Fundraisers and Events that make our heads spin sometimes. Each will be described in detail as they approach but this is the list:

- |              |                             |   |
|--------------|-----------------------------|---|
| August 3:    | Equipment Night –           | Pay for Band and Booster club activities and equipment. As freshman parents, this tends to be a shock but a good portion of the purchases are good for the full four years. |
| August 6:    | Rockathon –                 | The students' biggest fundraiser. Bring a rocking chair and stay up all night long. Parent chaperones get all the pizza they can eat at 3:00 am.                            |
| August 14:   | Summer Fest –               | Our first annual community-wide event. We will need all parents and students to help out and have a great time.   |
| August 20:   | Band BBQ –                  | See the students' first march and enjoy BBQ and relax. Marching season is upon us!  |
| February 24: | Bands, Bites, –<br>and Buys | Listen to quartets, enjoy an epicurean dinner, and bid on both silent and live auctions!  |
| April ?:     | Fun Run –                   | Either run 3 miles, 1 mile, or join a myriad of dog walkers in a great Saturday morning activity!   |
| May 13:      | Band Banquet –              | The year is over! The kids hand out awards and the seniors are bid farewell. !  |
