To all the Band Parents,

For upperclassmen parents: welcome back to yet another year bound to be packed full of events, excitement, and hard work. For those incoming freshmen parents, we welcome you to our band family and we hope that you will have a very exciting and enjoyable beginning as band parents.

This year, you have the honor of receiving support from a dual-team. Don and Raquel Davis, will again be your Falcon Band Lead Chaperones for the 2010-2011 school year. Additionally, you will have Curt and Linda Wild to assist as co-Lead Chaperones. This is our third year to be the Lead Chaperones and we want to express our gratitude for being offered this position of responsibility and to say that we are enjoying every bit of it. While true that we dedicate a lot of time and energy, in return, words are not enough to express how worthwhile it is to be part of this family. It is priceless! As Chaperones, we are able to witness and share in our children's emotions before, during, or after a game or event. They will often have a mixed bag of emotions; happy/sad, energized/tired, serious/silly, or that look in their eyes and smile on their face right after a successful exhibition. As Chaperones, we have gained more friends than we could have imagined before becoming involved. As Chaperones, we often receive a variety of academic and musical information, advice, and words of experience from more senior parents.

It is our hope that sharing our positive experiences will encourage you to join us and become involved in your child's band activities. We welcome you to join this upcoming year's activities, that our children are so proud to be a part of, and experience the fun; football games, fundraising events, and performances. Attached is a form that you may complete prior to Equipment Night and email or mail to us at the address below. Or, drop it off on Equipment Night at the Chaperone table.
